Our Text for the Week of 10.4: Luke 22:14–23

The Final Supper before the Prayer

Often called the "High Priestly Prayer," the apostle John wrote down this special prayer of Jesus that would launch the ongoing movement we know to be the church.

In part four this week, we circle back to the final supper before the prayer. Chances are, Jesus and 11 of His disciples were still seated at the dinner table when Jesus prayed the John 17 prayer. What did this table moment mean for them and what does it mean for us today? Read Luke 22:14–23...

The Last Supper is all about Jesus:

Removing the leaven – Our sin upon Him

Revealing the white linen – Our righteousness from Him

Remembering the sacrifice – God's wrath upon Him

Revealing the bread – The resurrection by Him

Receiving the final cup – The true messianic identity of Him

Questions for Group Discussion:

1. Describe a dinner experience that lived up to the expectations.
2. Are there certain foods that trigger specific memories?
3. What did the Passover Meal mean for Israel?
4. What did the bitter herbs represent then and now?
5. What did the spotless lamb represent then and now?
6. Why did Jesus focus on the bread and the cup?
7. If Jesus knew that Judas would betray Him, why did He include?
8. What does this supper teach us about Jesus?

Final Thoughts and Closing Prayer:

What will I do to be more prayerful this week as Jesus prayed for me?

How will I live differently because of this study?
