From the Equipped for God's Glory Series

Our Text for the Week of 11.8: Mark 10:35–45

Part Three: Called Out by the Word

In this series we're exploring what it means to be equipped and ready based on the anchor verses in 2 Timothy 3:16-17. Sound doctrine is always essential when it comes to knowing God and living for God. But we continue our series this week by exploring that other ingredient known as "correction." Knowledge is important, but what does it mean to be corrected by the Word? Read Mark 10:35–45.

Jesus Takes What is Wrong and Makes it Right:

The more you spend quality time with Him

The more you learn to think like Him

The more you learn to live like Him

Questions for Group Discussion:

1. Why is correction a difficult thing to accept and experience?
2. How can a person be made right with God?
3. Are there areas of your life that still need correction?
4. How does spending time with Jesus bring ongoing correction?
5. Describe something you once desired that you now realize was not profitable.
6. Do you desire to spend time with Jesus as you would an earthly relationship?
7. What would it look like to lead like Jesus in your home and workplace?

Final Thoughts and Closing Prayer:

What will I do to be more committed to the Word this week?

How will I live differently because of this study?
