## **From the Ascend: Worship without Limits Series**

### **Our Text for the Week of 12.13: Psalm 132:1–18**

#### **Part Two: Because God is With You**

For many of us, worship has grown a little cold in a year filled with difficulty and social distancing. The hope of this Ascend Mini-Series is to experience greater worship of God through greater awareness of God, as we see how God's people worshiped through the Songs of the Ascents. How does knowing that God is with you impact your worship? Read Psalm 132.

#### **The Experience of God being with you in Worship is based on:**

God would make His Home in a Place  
God would make His Home in a Person  
God is making His Home in a People

#### **Questions for Group Discussion:**

1. How would you describe your personal worship in 2020?
2. What would you say are the essential ingredients for worship?
3. If God were missing from your worship, would you notice?
4. Have you ever lost sleep over something God wanted you to do?
5. What are the places where you experience the greatest worship?
6. Does worshipping God excite you?
7. Do you believe that God wants to be with you and has made that possible?
