

# FBC Groups Ministry Discussion Guide

## **From the Haggai Series: Beyond Brick & Mortar** **Our Text for the Week of 1.17 is Haggai 1:1-11**

In this series, we explore what it means to be part of what God is building in 2021. We learn from the prophet Haggai that God is in the building business. The problem is that we are often consumed with our own business and miss out on what God is building. How will God shake us up to be about what He is building?

Read Haggai 1.

### **God waited Eighteen Years to Reveal this Challenge:**

The People had an Opportunity to Rebuild the Temple

The People had become too Comfortable in their own pursuits

The People had become too Consumed by their own pursuits

### **Questions for Group Discussion:**

1. When you think about building something, what comes to mind?
2. Why did the people procrastinate 18 years while the temple was in ruins?
3. When does comfortable become too comfortable?
4. In what way has your life become too much about personal comfort?
5. In what way do you see the hand of God being against you?
6. Is there something interrupting or opposing your worship of God?
7. Are there unfinished projects that God has prompted you to complete?
8. How does God want to use you to build His house this year?

### **Final Thoughts and Closing Prayer:**

What will I do to reflect honestly about my life this week?

How will I live differently because of this study?

### **Notes & Reflections:**
