

FBC Groups Ministry Discussion Guide

From the Haggai Series: Beyond Brick & Mortar **Our Text for the Week of 1.24 is Haggai 2:1–9**

In this series, we explore what it means to be part of what God is building in 2021. We learn from the prophet Haggai that God is in the building business. The problem is that we are often consumed with our own business and miss out on what God is building. What should we be building and when is the right time to build? Read Haggai 2:1–9.

God says that Now is the Time to Build and We Build:

With God's Forgiveness in Mind

With God's Presence in Mind

With God's Glory in Mind
