

FBC Groups Ministry Discussion Guide

From the Haggai Series: Beyond Brick & Mortar **Our Text for the Week of 2.7 is Haggai 2:20–23**

In this series, we've been exploring what God was building in the days of Haggai and what God is building today. God is still in the building business, but at the very end of Haggai's prophecy, God promises that He will one day shake up the heavens and the earth. What could you and I build that would stand the test of time and tribulation? Read Haggai 2:20–23.

Building with God's Greater Vision in Mind, means...

Inviting Others Who Will Follow Jesus With You

Involving Others Who Will Serve Jesus With You

Investing in Others Who Will Reach Others Beyond You
